

Baby Mullet

Lyrics and Music by Joe and Jack McLean

There's a place where I want to be,
full of joy and love and harmony.
It's a place where babies have mullets.

There's a world where I want to live,
with hope and joy all around to give.
It's a world where babies have mullets.

Baby, baby, we all love baby mullets.
Baby, baby all the coolest babies have mullets.

Now it might seem silly to you,
a kid with an adult hairdo.
But don't knock it till you've seen it.

Because I think it's alright by me,
an 8 month old that looks 43.
They'll fit in at a rock concert.

Although you really shouldn't bring a baby to a rock concert.

Baby, baby all the 80's babies had mullets.
Baby, baby, all the rockin' babies have mullets.

It's short on the top and long in the back.
The party train's left and it's rolling on the track.
Next stop's a world with baby mullets.

Baby, baby. We all love baby mullets!
