

# Shake Your Rump

Lyrics and Music by Joe and Jack McLean

1,2,3, play the Tambourine  
4,5,6, tap those sticks  
7,8,9, stomp your foot in time.  
We're 10 little drummers drumming.

1,2,3, got to bend your knees  
4,5,6, swing your hips  
7,8,9, kick your feet in time.  
We're 10 little dancers dancing.

Chorus:  
Everybody, everybody, let's all sing this song.  
Everybody, everybody, bring your friends along.  
Everybody, everybody, time to have some fun.  
Everybody, everybody, shake your rump.

1,2,3, get your family  
4,5,6, bring your friends into the mix  
7,8,9, pick a super fun time.  
We're 10 little partyers, partying.

Chorus X 2
